Oakland International Academy uses several diagnostics to benchmark and assess student levels of proficiency in all core areas of instruction. The diagnostics listed below are used to measure each student's ability in Math and Reading. Benchmarks are used throughout our K-12 schools and guide teachers with a snapshot of each student's current strengths and weaknesses in Math and English Language Arts.

K-5 Diagnostics/Benchmarks

- Fountas & Pinnell (Reading)
- Amira & Saxxon Phonic (Reading)
- MAP Fluency (Reading)
- NWEA MAP Growth (Math, Science, & Reading)
- Imagine Learning (Reading)
- Star Reading
- MSTEP (grades 3-5)
- WIDA for ELLs (K-12)

All staff were/will be provided PD on these benchmark assessments on the following dates:
