On behalf of Oakland International Academy, I would like to thank our teachers and administration for working tirelessly to achieve these positive results. I am grateful to our parents for their unwavering support and encouragement. As we continue to work together on our student achievement goals, I want to remind parents to continue to have positive conversations with their students about college goals and character development. Parents are always encouraged and invited to visit the schools, meet the teachers, and communicate directly with the Principals and administrators. During the next school year, we aspire to improve our MSTEP, WIDA, NWEA, and SAT scores while providing your students with a safe and nurturing environment where they are happy and proud! Please do not hesitate to contact me with any questions at [randy.speck@emanschools.net](mailto:randy.speck@emanschools.net).

Sincerely,

Dr. Randy Speck, Superintendent
